## October

- 7 Christ, North Hills
- 14 St. Christopher's, Cranberry

### Notes:

This schedule will allow for me to visit every congregation in 2012 before I pass the ecclesiastical authority to a new bishop in October.

Nativity, Crafton, Calvary, East Liberty and Advent, Jeannette normally have their visitations in November or December, however on this schedule the visits are set earlier in the year so I can be with them one last time. We will inform the new bishop of their normal preferred date for visitation so that he or she may take that into consideration when setting the next schedule.

I tried to schedule a variety of congregations in September and October in case the new bishop might wish to accompany me on some of them to get a flavor of Episcopal visitations. After October, the new bishop will schedule all visitations.
