

Mission of Hope 2011

If we had a theme song this year it would be, "Looks Like We Made It!" Each group (New Mexico, Pittsburgh or Louisiana) had some sort of serious difficulty getting here. Flight delays, airport closures, cancelled flights (the NM team had to leave a day early or wait 5 days... it was a scramble!) The LA team had mechanical problems in Memphis and had to be rerouted through Houston on a different airline... no their bags did not make to Entebbe! And one of our bags from Pittsburgh got completely lost... it was tagged wrong in Pittsburgh!

This all lead to a greater reliance on the Lord! "Silver and gold have I none, but what I have I give to you. (acts) Of course some of us had no clean underwear, for a few days. We bring all these "needful" things to give and to help the children of the Mustard Seed, but when 8 bags of our luggage were lost we had to ask, "am I enough?" Can God use me just as I am without all the good things I bring? We found the answer to be a definite YES! Praise God.
