

## Mission of Hope Continues!

*Future Ugandan Women's Swim Team!  
(swimming at the Crown Hotel is becoming a MOH tradition)*

*Took some of the older girls to town and had their ear's pierced. "Our little girls are growing up!"*

***There has been a lot happening on MOH 2011 so far. As they say here though, "God is Good, All the Time and All the Time, God is Good!"***

***Thank you so much for your prayers! We did get all but one of the lost luggage bags. The lost one was mis-tagged so it could be anywhere. (How would you like to arrive at your destination with 45 pounds of children's underwear?!)***

***There was an earthquake here on Monday. Felt like a low flying plane or a truck rumbling too close.***

*Some photos from the confirmation*

*And Everybody wants to be Jolly Old Saint Nick*
