

## **EPISCOPAL CHURCH WOMEN**

2015 marks the beginning of new meeting rules. We now have two-hour meetings with lunch and manage to get lots of business done.

We now celebrate women and their ministries.

This year, we celebrated Jeremiah's Place, the Seaman's Church Institute, and our Grants for Mission and Memorial Scholarships.

We shall keep entering the 21st century with modern steps like electronic news and announcements.

We are looking forward to a new ministry in helping victims of Human Trafficking in Southwestern Pennsylvania. Please see our display at Convention, as we are all in the learning stages.
